Dear Sir/Madam

TO WHOM IT MAY CONCERN

SUPPORT FOR THE BANKING AND WEALTH EXPOSITION 2017

Bank of Botswana pledges its support for the Banking and Wealth Exposition which is jointly organised by the Bankers' Association of Botswana and the Botswana Institute of Bankers. The theme adopted for the Exposition, "**Bridging the Inclusion Gap through Financial Literacy**", directly addresses a pertinent policy challenge of deepening financial outreach and, more broadly inclusive financial sector, in a cost effective manner. This is a matter that is closely aligned to the core central bank mandate and one of the key strategic objectives of the Bank. It is particularly commendable that participation in the Expo is being extended to the broader financial services sector.

Consequently, I wish to personally urge all institutions in the financial sector to participate in this important event.

Yours faithfully

Moses D Pelaelo
GOVERNOR
